Key takeaways

PILLAR SCORE

87%

Chartwells at Brunel University scored very highly in this pillar. A possibility for improvement around staffing could be offering access to mental health and addiction support to improve your staff's wellbeing. Another avenue could be to train your staff about nutrition and encourage them to increase the use of fermented and wholegrain ingredients.

Impact Areas

Treat Staff Fairly

81%

Ensuring good working conditions, promoting staff wellbeing and creating inclusive workplaces.

Feed People Well

93%

Promoting healthy eating and responsible drinking.

Support The Community
